### **US Flag Display Policy**

In keeping with the association's interest of providing a peaceful and beautiful living environment, U. S. Flag Displays should be consistent with the "Freedom to Display the American Flag Act of 2005". U.S. Flags cannot be larger than 4'x6' mounted with a STANDARD RESIDENTIAL FLAGPOLE BRACKET on an 8' pole. They must be displayed on front of the home and locations are restricted to either side of the garage door or either side of the front door.

\*\*\*Garden Flags associated with a holiday, sporting event, etc. can be placed in landscaped areas provided they do not interfere with HOA paid lawn care services. I.E. trimming, mulching, etc.
